Praying for the Kingdom's diversity in Today's church

## MONTHLY HBCU PRAYER TARGET: XAVIER UNIVERSITY OF LOUISIANA

Xavier University of Louisiana is a private institution founded in 1915. It has a total undergraduate enrollment of 2,504. It is the nation's only Black and Catholic University. Xavier sends more African Americans into medical school than any other college.

Deanna Ceasar has been reaching out to Xavier students for over five years now. Please pray for Deanna for open doors with the administration (Chi Alpha needs official recognition by the university), for staff help, and key relationships in evangelism. All of these need serious and fervent intercession.

### Our Purpose

To help Chi Alpha & the church be an accurate representation of Christ's people to the campus in its: sacred creation (Acts 17:26), diverse ethnic make-up (Rev. 7:9), supernatural oneness (Gal. 3:28), Jesus-centered unity (John 17:21), kingdom-ethnic witness (Mt. 5:1-15, Luke 4:18-19), a reconciliation ministry (2 Cor. 5:16-21, Eph. 2:14-22).

## KKK, ELECTION CHOICES, AND PRAYER NEEDS

Woke up a little after midnight unable to sleep. On Facebook I found a message from an African American student from our Chi Alpha group at Murray State University asking my prayers and help. The KKK is handing out flyers in his town, like they are in many others. I can't imagine the many emotions he is feeling, but he told me, "This really angers me, but it angers me to want to do something about it through spreading the love of Christ even more, and how we are all one blood under Christ."

Does it anger you in the same way? Will you pray with us this against the spirits behind this new wave of White supremacy in our country? Would you be a voice where you are and SHOUT the truth of the kingdom of every nation, tribe, people, and language? Now is not the time to think of self-preservation, but to give our lives to honor his name.

Race is a big issue in this year's election. Yet most of the voices speaking are not voices of life and truth, but fear and anger. There is a lot of anger on all sides. It is time for us to represent Jesus and not ourselves!

Thank you for standing with us!

## Answered Prayers

God is hearing your prayers. Here are some results:

- Six flights, hundreds of miles driven, all safe and sound.
- Volunteer helping with [drivingdiversity.org](http://drivingdiversity.org) site.
- More and more people caring about diversity in the church.
- Great connections made on last trips. Not just ones I was expecting. Random God connections are airports too.

## Specific Prayer Points

Please pray for the following needs:

- Direction of where we should locate next and plant ministries on un-reached campuses. Open doors.
- National Diversity Task Force Meeting April 4-6.
- God direct all of our campus missionaries to speak to increasing racial tensions in our country.
- Revelation and truth to fill the minds and hearts of every believer.
- Wisdom to how to respond to Klan rallies around the country.
- God's will to be done in this upcoming election.
