Praying for the Kingdom's diversity in Today's church

MONTHLY HBCU PRAYER TARGET: DELAWARE STATE UNIVERSITY

Delaware State University is a public university in Dover founded in 1891. It has a total undergraduate enrollment of 3,400. The university encompasses six colleges.

Just this week I found out that we have a small, church-sponsored group on this campus. There are a handful of student leaders who really have a passion for their campus and are not seeing lots of results. Would you pray with me for them, that God would do something great at DSU?

DELAWARE STATE UNIVERSITY NEEDS YOUR PRAYERS

In just a few days Belkis will be in Atlanta for the annual National Diversity Task Force Meeting. It is a key time each year as this strategic team comes together for prayer, fellowship, planning, and dreaming.

Planning this year has been filled with little nuisances here and there, signs the enemy hates the work we are doing. The work has the potential to change whole campuses and certainly people. Would you pray with us towards this end? First and foremost, we need God's change in us.

Thank you for standing with us!

Answered Prayers

God is hearing your prayers. Here are some results:

- It looks like God the doors for Steve's next ministry assignment are just about open.
- Belkis has been affirmed to four more years as the National Diversity Specialist.
- Belkis made some great connections at recent diversity event at Southeastern University.
- Calendar filling up for up-coming itineration.
- Over 500 people read Belkis blog last month on the KKK.

Specific Prayer Points

Please pray for the following needs:

- National Diversity Task Force Meeting April 4-6.
- God's grace and provision as we will be moving again this June.
- God direct all of our campus missionaries to speak to increasing racial tensions in our country.
- Revelation and truth to fill the minds and hearts of every believer.
- Wisdom to how to respond to Klan rallies around the country.
- God's will to be done in this upcoming election.

Our Purpose

To help Chi Alpha & the church be an accurate representation of Christ's people to the campus in its: sacred creation (Acts 17:26), diverse ethnic make-up (Rev. 7:9), supernatural oneness (Gal. 3:28), Jesus-centered unity (John 17:21), kingdom-ethic witness (Mt. 5:1-15, Luke 4:18-19), a reconciliation ministry (2 Cor. 5:16-21, Eph. 2:14-22).

We do this through:

1. Mobilizing the unspent*
2. Equipping the church through training and resourcing
3. Helping plant at HBCU's**
4. Building bridges

*Unspent refers to ethnic minorities traditionally under-represented in missions
**Historically Black College and Universities
