

The Adventure Missionary Portfolio University Ministry Associate

Come and join a team of dedicated and experienced missionaries providing leadership to a national initiative that is mobilizing minority missionaries, equipping staff and students and helping to plant ministries at 100 HBCUs. You would also work locally pioneering university missions on the 14 campuses (including 3 HCBUs) in the Piedmont Triad region of North Carolina. As part of this team, you will receive mentoring and training to help equip you for God's divine purpose in your life.

- Disciple students through intentional relationships, creative hospitality and purposeful outreach
- Help plan and execute on campus services and special events
- Provide lay counseling support to students
- Use specialized music, technical, and other skills as needed
- Provide support to senior staff

Possessing strong Christian character and passion for missions. Additionally requires:

- Good communication skills
- Organized and self-motivated with strong work-ethic
- Flexibility, adaptability, and willingness to learn
- Excellent interpersonal skills
- Ability to work well at many levels
- Sensitivity to confidential information
